

Via Bianca

PASTIFICIO & RISTORANTE

OUR STORY

Welcome to Via Bianca, a love letter to Italy. The interiors that are inspired by Puglia, its whitewashed streets, sunlit kitchens, and soulful food, we bring you more than a menu; we bring you a moment. One that's heartfelt, full of flavour, and kneaded with love.

Born from my journey through the homes and kitchens of Puglia, Le Marche, and Emilia-Romagna, Via Bianca is a tribute to the Italian way of life; slow, simple, and deeply satisfying. After years spent training in iconic kitchens across India and Italy, I didn't just return with recipes but with a dream of a place where people gather, stories simmer, and pasta is made with heart and a whole lot of love and attention.

At Via Bianca, we serve up age-old classics alongside rare regional dishes, and take pride in the little things — like a great cup of coffee or a perfectly blistered pizza crust. From Spaghetti all'Assassina to Corzetti, affogatos to aperitivos, you'll find seasonal plates inspired by the ingredients we love, and a menu that is a slow dance between tradition and surprise.

Here, we believe in good food, relaxed meals, shared bites, and memories made around the table.

So slow down, stay a while. Let Italy come to you, one plate at a time.

Created by emotion and travel, we hope that you fall in love with Italy, the same way I did.

Buon appetito e divertiti,
Kamalika Anand
